PEUGEOT LEASING

With the Peugeot Open Europe Holiday Leasing Program, you could be cruising the open roads and discovering the best of Europe behind the wheel of a BRAND NEW Peugeot. The best part is, the price is TAX FREE!

WHAT IS PEUGEOT LEASING?

The Peugeot Open Europe program is specifically designed for non-European residents wishing to holiday in the UK or Europe between 21 and 175 days. It allows you to save with tax free prices plus other great benefits.

WHY LEASE A PEUGEOT?

A Peugeot Lease is ideal for travellers planning an extended holiday in Europe. It is a great alternative to car rental and represents good value for your holiday dollar.

- You receive a guaranteed brand new vehicle.
- Peugeot Leasing prices are all inclusive. You receive unlimited kilometres, full comprehensive vehicle insurance (includes third party liability, theft and fire), personal accident insurance (PAI), additional drivers (conditions apply) and 24 hour assistance in 39 countries.

- No insurance excess to pay.
- FREE additional drivers*.
- FREE pick-up and drop-off at 14 centres in France (at various airports, ferry ports and city offices) including Geneva. Vehicles may also be collected and returned in 12 other European cities for an additional fee**.
- The minimum driver age is 18 years. Peugeot does not charge a 'Young Driver Surcharge'.
- No maximum driver age limit.
- Travel is permitted into most of Eastern Europe (refer to the map on page 3).
- Most vehicles are diesel models, so you save on fuel costs and get improved fuel economy.
- There is no fuel surcharge and you do not have to return your car with a full tank of fuel.
- All the paperwork is completed before you depart Australia, so there is no waiting in queues at airport rental desks.

All Peugeot Leasing vehicles are left hand drive (including UK collections), come with a full factory warranty and are delivered with approximately 10-15 litres of free fuel, enough to get you on your way.

*Subject to conditions. See page 8. **See page 5 for rates.
